## **Aliza Finn-Welch Nominated as the 2013 Junior League of Hartford Delegate to Leadership Greater Hartford**

HARTFORD, CT (February 18, 2013) – The Junior League of Hartford nominates one of its outstanding members to serve as a delegate to Leadership Greater Hartford’s QUEST program each year. For 2013, that member is Aliza Finn-Welch.

“The Junior League of Hartford has a three-pronged mission, to promote voluntarism, develop the potential of women, and improve the community,” said JLH President Sarah Thrall. “Our partnership with Leadership Greater Hartford complements our mission by offering our volunteers an extraordinary opportunity to learn about civic leadership, which they then bring back to their place of work and our league sharing the QUEST lessons with fellow members, and enacting those principles in their contributions to further our mission. We are thrilled to continue this partnership this year through Aliza’s involvement in the QUEST program.”

Aliza moved to the Hartford area in 2010 and joined JLH as a new member of the 2010-2011 Provisional Class, served as the Show House Special Events Committee co-chair last year, and co-chaired the League’s Golf Committee this past summer.

Outside her JLH involvement, Aliza is the Senior Associate Director of Alumni Relations at Trinity College.

With funding support from the Hartford Foundation for Public Giving, the Greater Hartford Chamber of Commerce developed LGH’s year-long flagship program, now known as QUEST, to: provide leaders and emerging leaders with the skills and knowledge needed to be effective in a changing world; create a network reflecting and embracing the community’s wide diversity of leadership; provide a forum for people with different experiences to undertake collaborative endeavors; and engage members to assume future community leadership roles.
